APPLICATION FOR WRITTEN COMPREHENSIVE EXAMINATION
M. ENGR. IN CIVIL ENGINEERING

Today's date: ______________________

From: ____________________________________________________________
(Type or print student’s name) (Student’s ID number)

Planned graduation date: ☐ May ☐ August ☐ December, ________________ (Year)

Please schedule my Comprehensive Examination for: __________________________ (Insert time, date, and year)

The student’s signature confirms that all required coursework has been (or will be) satisfactorily completed prior to taking this exam. In addition, the student must be enrolled in CE 690, Assessment, at the time of the Comprehensive Exam. Any student wanting an August graduation date must make special prior arrangements with his/her committee to ensure they will be able to provide the questions for the Comprehensive Exam. Faculty may be unavailable in the summer.

(Signature of Student)

Course 1 (Signature of Supervisory Committee Member 1)

Course 2 (Signature of Supervisory Committee Member 2)

Course 3 (Optional - Signature of Supervisory Committee Member 3)

Course 4 (Optional - Signature of Supervisory Committee Member 4)

(Signature of Advisor/Chairperson)

Civil Engineering Comprehensive Exam Schedule

Successful completion of the Comprehensive Exam will result in submission of a Passing Grade for CE 690 signaling to the Registrar the readiness of the candidate to graduate. The deadline dates each term reflect a cutoff time to ensure grading, the ability to do the one retake if needed, and still meet the grade submission deadline each term.

Fall Semester: Last Monday in November each year.
Spring Semester: Fourth Friday in April each year
Summer: Last day in July each year

The cut-off dates for students to apply with this form is no later than 3 weeks before the exam cutoff date. The cut-off date for faculty to submit exam questions for each exam is 1 week before date scheduled.

RETURN COMPLETED FORM TO CE GRAD COORDINATOR, Dr. Arvin Farid, ERB 3133
