Q20 - Please add any comments about the Boise State Construction Management Program or its graduates below:

I believe the program is headed in the right direction and appreciate you reaching out for input. The most important thing in my mind is turning out intelligent, resourceful students that are not afraid to dive into this industry and continue to learn and work hard.
 Great Program - Continue to seek industry feedback
 Be nice if the grads were stronger in AutoCAD. Very well rounded professional students that are eager to work hard!
 I am happy with the continual improvement and growth that I have seen within the department over the last 10 years.
