a three-day adventure exploring engineering & computer science careers

June 5-7, 2016
at Boise State University
For current 8th & 9th grade students

Experience Campus Life
You will live on campus in a college dormitory under the supervision of camp staff. All food, housing and recreational activities are provided.

Workshops led by engineering professionals and college students may include:

• Academy of Robotics
• Water Modeling
• Building Bridges
• Rocket Into Space
• Virtual Worlds with Alice
• A World of Career Choices

Cost: $250 ($300 after May 1)
Scholarships available
Application due May 1, 2016
Enrollment limited to 50

Apply today by contacting Leandra Aburusa at laburusa@boisestate.edu, or (208) 426-4432. http://coen.boisestate.edu/k-12/summer-programs/
