ACEC Member Organization Scholarship Program for the 2013 Academic Year
Eligibility

The program includes scholarships awarded by the American Council of Engineering Companies’ Member Organization (MO) identified on the first page of the application. The scholarships are divided into two categories, General Scholarships and the Specialty Scholarship.

GENERAL SCHOLARSHIPS

Students must be entering their junior, senior, fifth, or graduate year, in the fall of 2013 to qualify for the general scholarships. In addition, a student must be a U.S. citizen pursuing a Bachelor's or Master's degree in engineering or in an accredited land-surveying program to qualify. ABET accreditation of engineering programs for scholarship applicants must conform to the following to the particular degree the student is pursuing:

☐ Bachelor's Degree

Student must be in an ABET-accredited engineering program.

☐ Master's Degree

Student must either be in an ABET-accredited Master of Science (MS) engineering program, or have a Bachelor of Science (BS) degree from an ABET-accredited engineering program.

SPECIALTY SCHOLARSHIP

The only specialty scholarship available for the 2013 year program is the Council of American Structural Engineers (CASE) scholarship. Only students who are enrolled in a Master's degree program for Structural Engineering in fall of 2013 will be eligible for the CASE scholarship. Student must either be in an ABET-accredited Master of Science (MS) engineering program, or have a Bachelor of Science (BS) degree from an ABET-accredited engineering program.

Your interest and commitment to the business and management of the profession are important. You are encouraged to reflect that throughout the application.

Be as complete as possible while filling out this application. Each portion of the application has a specific point value. Judges will score each section separately. Incomplete applications will not be considered.
SCORING

- Cumulative Grade Point Average: 20 points

- Essay: 25 points
  Essays must be typed or neatly printed. Points may be lost for poor grammar, incorrect spelling, illegibility, or lack of neatness. Proofread carefully.

- Work Experience: 27 points
  Work experience will be limited to the last three years prior to the date of this application. List your most recent work experience first and include any jobs held during high school if within the last three year period. Indicate the year in school during which you held a particular position. Indicate if your work experience was in the form of work-study, co-op, or practicum. Clearly identify the nature of the business of the listed employers; in particular, note consulting engineering or land surveying firms. Be complete and accurate. List additional experience on a separate sheet and attach if necessary. The more experience you list, the higher your potential score.

- Recommendation: 15 points
  A recommendation is needed from an engineering professor, a consulting engineer, or a land surveyor. Use the attached form—a letter is not sufficient. Greater weight will be given for a recommendation from a consulting engineer or land surveyor. The evaluator must send the recommendation directly to the state Member Organization – ACEC of Idaho.

- Extra curricular College Activities: 13 points
  Indicate all college activities including offices held in any organizations. Be as complete as possible. If there are no activities, write "none". The more activities you list, the higher your potential score.
ACEC Member Organization
2013 Scholarship Application

Complete all sections of this application to the Member Organization address below:

Name of Member Organization: ACEC of Idaho
Address: P.O. Box 8224
City, State & Zip Code: Boise, ID 83707
Telephone: 208-321-1502 Email: totens@amsidaho.com

Applicant's Name: ________________________________

I am applying for the following ACEC scholarship (select only one):

☐ General Scholarships – One available
☐ Specialty Scholarship – one CASE scholarship available

Note: To qualify for the CASE scholarship, you must be enrolled in a Master's degree program in Structural Engineering in the fall of 2013. Students who qualify for the CASE scholarship will also be eligible for the general scholarships.

In the fall of 2013 I will enter (indicate one):

☐ Junior year ☐ Senior year ☐ Fifth-year ☐ Master's ☐ PhD

College/University: ________________________________

Degree expected (with date): _________________________

Include certified grade transcript(s), including 2012 Fall Semester, and clearly identify your cumulative grade point average(s) on a four-point scale:

My Bachelor's (Undergraduate) GPA is: ________

My Master's GPA is: ________

ESSAY

On a separate sheet of paper write a short essay (approximately 500 words) on the following topic: What is the role or responsibility of the consulting engineer or land surveyor in mitigating the impact of natural disasters?

Your interest, understanding and commitment to the business and management of the profession are important and should be reflected in the essay.

PERMISSION TO RELEASE OR VALIDATE INFORMATION

By signing this application, I authorize ACEC and its state Member Organizations to confirm and/or release any information included on this application.

Applicant's Signature: _____________________________ Date: _______________

I have reviewed this application and I recommend the student for consideration.

Dean or Professor's Signature: _____________________________ Date: _______________
Complete this form and return to the Member Organization address below by: ______________________

Name of Member Organization: ACEC of Idaho

Address: P.O. Box 8224

City, State & Zip Code: Boise, ID 83707
