Actuarial Science Presentation

by
Jeff Bradley
on Thursday 7 February 2013
3:00-4:00pm
Old Business Building Room 221 (B221)

Jeff Bradley, a Consulting Actuary with Milliman, Inc. in Boise will give an introduction presentation to the actuarial profession.

Mr. Bradley will discuss the following questions:

What is an actuary?
What do actuaries do?
Who do actuaries work for?
How does one become an actuary?

This career presentation is sponsored by Math Club,
Boise State University.
